

AIB Announces SSIA Success
30th April 2002

At close of business today, AIB had opened close to 300,000 SSIA accounts. Commenting on the figures, Hugh O'Keeffe, Savings & Investments Marketing Manager for AIB said, "Conservatively, we estimate that there will be in excess of €4bn in maturing funds in 5 years time including savings, bonus and interest arising from these accounts.

Over 45% of those accounts were opened in the month of April 2002 with customers choosing Deposits over Equity based options in the ratio of 4:1.

In the final two days, Monday and today, over 30,000 accounts were opened.
